

Publication licence for the Hungarian National Library

I, the undersigned hereby agrees the online publication of the undermentioned documents through the public online services of Hungarian National Széchenyi Library.

.....
.....

At the same time I accept the undermentioned principles of the usage of documents. I confirm that I hold the copyright to all elements of the work and I made this statement in case of the donation and the acceptance of the conditions in my own right, and I haven't trespass upon no one's rights with my declaration. In accordance with the online services of the Library I sign away the royalty, publication fee or any other allowances.

The Hungarian National Library is allowed to publish this document on network or other electronic data medium for educational, scientific or other non-profit purposes, and the private users are allowed to use it or make copy of it for private purposes - similarly to traditional library services. The Library has right on the documents only in the case of above-mentioned usage, and the author/owner is entitled to have the copyrights, the proprietary and commercial rights and incomes.

The operators of the service are obligated to remove the document from the public service if there is any question about the rights of publication, or of the owner/author asks for removing the item.
